Panorama Park will undergo Kern County Parks Improvement Project April 19 - 22

Get ready to enjoy a new and improved walking path at Panorama Park!

Beginning next week, sections will be closed to the public during business hours for renovation. Please be advised of partial construction April 19 – 22 from 7 a.m. – 5 p.m. as part of the Kern County Parks Improvement Project. Guests are welcome to enjoy the park during this time, however, portions of the pathway will be closed. Panorama’s walking path will reopen entirely each day before and after business hours.

Construction will conclude at the close of business Thursday, April 22, and improvements will be finalized by Friday, April 23.
